

Edgewater News

Volume 10
Issue 07

July 2010

Please keep your
thoughts and prayers
with Edgewater
friends

Jean Stebell
and
Sylvia Colbey

as both have been
undergoing medical
treatment recently.

We look forward to
seeing them back to
their normal sched-
ules, and wish them a
speedy recovery!

GREETINGS FROM EDGEWATER!

- A HUGE thank you going out to the Edgewater crew who planned and carried out the BeatleMania event. It was a wonderful success and a good time was had by all who attended. Congratulations on a job well done. Also thanks going out to all who attended!
- We've noticed lately that there has been a considerable amount of litter on the entrance road and throughout the complex. PLEASE respect the property and your neighbors, and clean up after yourself!!
- As some of you may already know, last weekend, some young adults had a party on the beach. It is assumed that under-age drinking, there was some destruction that occurred, and the beach area was left a mess. Law enforcement was contacted at a later time, and the issue has been resolved. We just ask that residents be watchful, and if you see something that looks suspicious, it likely may be. Please do not confront individuals if it does not seem safe, but call law enforcement when appropriate. We cannot tolerate these types of situation happening at Edgewater, and we need your help to make sure this is the case. Thank you!
- In addition to the item above, we ask that ALL residents/guests have your parking sticker or temporary hang tag VISIBLE. This way, unauthorized vehicles can be easily identified, and when appropriate, towed away from the property. Thanks.
- Jean Stebell would like to thank her Edgewater friends and neighbors for the lovely card and gift basket she received. It certainly brightened her day!
- Construction is progressing well this summer! P stairs have been replaced, and N stairs are nearly complete! F building has a new roof! For those of you who haven't had an opportunity to get to the pool, the new tile work looks fantastic. It delayed our opening, but was a nice improvement. The wading pool is in need of some repairs to the drain and chlorination system, which are pending at this time. We appreciate your patience!!
- The next Board of Managers meeting will be Saturday, August 21 at 8:30am in the Lakeside Lounge. All are welcome!
- Please take note of the survey enclosed in this mailing. We appreciate your input!
