## **GREETINGS FROM EDGEWATER!**

### **A Fond Farewell**

Edgewater's administrative assistant, Adele Harrington, has tenured her resignation effective Oct. 6. Adele has served Edgewater well in her 11 years here and her service has been greatly appreciated. We're sorry to see her go and wish her much luck as she pursues other endeavors. At this time, the board is investigating alternatives to best meet residents' needs and will keep everyone up-to-date with any decisions being made. In the meantime, please feel free to contact any of the board members with questions and concerns.

### **Project Updates**

Currently, work is wrapping up on the office apartment and stairs. Replacement of bushes in front of buildings C through H is complete, thanks to the landscaping committee. Thanks for all of the hard work and planning!

### **Important Mailing Coming Soon**

As mentioned in the August newsletter, the board of managers has recently updated the ECA rules and regulations based on issues and comments that have come up in the past year, as well as a new fine structure adopted earlier this year. The revised rules were adopted at the September board meeting and can be found on the website under "Bylaws/Rules" in the Resident Information section. A copy will also be mailed to all owners; please be sure to share this with your renters. Also included in the mailing will be updated emergency procedures.

### **A New Face at Edgewater!**

Richard D. Clawson, a Westfield resident most of his life, will be replacing Adele in the office. Rick comes to us with a well-rounded business background and spent most of his adult years in the printing industry. He was Westfield Village Clerk for a period, and during the 70's and 80's Rick was also employed by the Village of Westfield as a part-time police patrolman. He has three grown children and 7 grandchildren. In the fall, you might see him on the football field, officiating high school and midget league football games.

Office Hours will be: Mon&Tues: 11am-4pm, Wed-Fri: 10am-3pm
